WELCOME TO PALAU

The Republic of Palau is scenically magical. For such a tiny area of land, it packs a big punch. It's hard not to be overwhelmed by its extraordinary array of natural wonders: this is an archipelago of about 200 largely pristine limestone and volcanic islands, blanketed in emerald forest, surrounded by a shimmering turquoise lagoon. Unsurprisingly, diving is the number-one activity here, with truly world-class dive sites. Divers swear by Palau's exciting seascape, fascinating wrecks and stunningly diverse marine life – it's not dubbed 'the underwater Serengeti' for nothing.

When the underwater wonders have finished working their magic on you, there are other adventure options. Kayaking, snorkelling and off-road driving are fabulous, with the added appeal of fantastic settings. And for history buffs there are plenty of WWII relics scattered in the jungle, as well as a handful of well-organised museums in Koror, Palau's largest town.

- 本次會想設計帛琉的旅遊網站是因為自己有去過，並且對這個地方印象深刻，希望能介紹更多人知道這個地方的一切，底色跟圖片皆以藍色呈現，帛琉四面環海，島上的一切都與海洋息息相關，希望用一樣的色系，但顏色深度不一樣就想海洋一樣，簡單的設計就跟島上的文化一樣簡單而且樸實。
